

EMERGENCY SUPPLIER TRANSITION AGREEMENT

Agreement AGR-SMOKE-TEST · generated 2026-09-02

PARTIES

This Agreement is made between Meridian Manufacturing Co. (the “Buyer”) and Nexus Manufacturing Co. Ltd (the “Supplier”), effective 2026-09-02.

It is entered into in response to a disruption affecting the PX-17 Power Controller, and authorises an emergency transition of supply for that component.

ARTICLE 1 — GOODS AND PRICING

The Supplier shall deliver 1500 units of the PX-17 Power Controller at a unit price of \$90.30.

TOTAL CONTRACT VALUE: \$135,450.00

ARTICLE 2 — DELIVERY AND SERVICE LEVEL

Delivery shall be completed within 5 days of execution.

Service level: 98% on-time delivery; 24-hour disruption notice

Contingency: Buyer may activate a secondary supplier without penalty after 5 days.

ARTICLE 3 — COMPLIANCE REQUIREMENTS

The Supplier warrants conformance with each of the following:

- ISO 9001:2015
- RoHS
- CE

ARTICLE 4 — EVIDENCE POSITION AT EXECUTION

This Agreement was prepared from an automated evidence review. At the moment of generation, 8 supplier claims were independently verified and 1 unresolved evidence conflict(s) were recorded, at an overall recommendation confidence of 91%.

NOTICE: One or more supplier claims relevant to this transition could not be verified against independent records. The Buyer executes this Agreement with that position disclosed on its face.

ARTICLE 5 — RISK CONDITIONS

The following risks were identified during review and are acknowledged by both parties:

- Single-source dependency during transition

ARTICLE 6 — AUTHORISATION

This Agreement was prepared by an automated system. It is not binding until signed by an authorised representative of the Buyer. No automated process may execute it.
